At Dwell we're obsessed with eateries that treat their decor as carefully as their prix fixes. From Philadelphia to Palm Springs, these ten tantalizing restaurant designs are a feast for the eye.

6 / 10

Workshop Kitchen + Bar (Palm Springs, California) Instead of the midcentury style so popular in Palm Springs, Workshop Kitchen + Bar opts for a bold mix of industrial and ecclesiastical design. Concrete "side chapels" flank a communal table underneath a 27-foot peaked ceiling. The exposed pendant lights are by .PSLAB. Courtesy of SOMA.
